and they have been reimbursed for their expenses by Mr Ramchandra Iyer. It is only with regard to the 7 Pandits who were permitted to go in the second order of 2 4 12 that the question of payment of travelling allowances could come up for consideration. Out of these Pandits, 3 belong to the Central College, 1 to the High School 1 to the Archaeological Office, 1 to the Sanskrit College and 1 to the Mysore Supdt's Office. The request of the last two Pandits for travelling allces was disallowed by Govt in their order of 13 7 12. One of them viz, Pandit Venkatachari of the Mysore Supdt's Office has applied for a reconsideration of the order for the reason that though he had declined the invitation of the Parishad in the first instance, he went at the bidding of the Secy to Govt (Mr Balasundaram Iyer), and that the Parishad authorities refused to pay even feeding charges on the ground that he was deputed by Govt. His application, is in the circumstances, matter for orders.

As already stated, the 12 pandits deputed by the Order of 28 3 12 have, it is presumed, been paid Rs 50/- each by Mr. Kantharaja Urs, and it is not known whether ~~any~~ no remuneration has been received from the Conf^ce authorities by any of the 7 pandits deputed in the order of 2 4 12.

25 As I have already observed in my note above (para 7), the Secy to the Sabha in his letter to the Govt dated 30th March (April) 12 requested Govt to send certain Pandits (7 in number) to the Conference "on payment of traveling & halting allowances". Though the wording is rather ambiguous the Sabha authorities seem to have meant that the Mysore Govt should bear the traveling & other Expenses of the Pandits. That such was their intention is also confirmed by the reference made in the Sabha report (Para 14 of the printed report) to "the payment by the Mysore Govt of the batta & traveling allowances of the Pandits that were sent from Bangalore".

× Flag W in 28 file no 280-11

× Flag D

26 Thus while the Govt were under the impression that the Sabha would bear the Expenses of the Pandits, the Sabha authorities appear to have believed that the Mysore Govt would have paid these Expenses of the Pandits and between the two, the Pandits have

27 As the distance & time it is not possible to Expect the Subha to pay the Expenses incurred by the Pandits &c as para 14 of the Report goes to show that they never had any appreciable Surplus left in their hands after meeting the charges of the Conference
